# WELCOME TO BROOKLYN HEALTH ACADEMY

**Brooklyn Health Academy offers courses that are dynamic, challenging and exceptionally rewarding as well as provides you with numerous job opportunities.**

*Brooklyn Health Academy is a Private Further Education Institution dedicated to training Healthcare Professionals for the health industry of South Africa. We provide equal education opportunities, especially to students who do not have general access to educational institutions, to adequately prepare themselves for entrance into the local and international healthcare markets.*

*At Brooklyn Health Academy, we're harnessing the power of in-class learning by using new and innovative ways to learning. Combining the newest research with proven teaching methodology, we're inspiring students to take control of their classroom experience.*

*Brooklyn Health Academy provides the stepping stone for students to reach the future they envision.*

We will offer the highest possible quality instruction, to each student who enrolls in any of the programs that Brooklyn Health Academy offers; in preparation for employment in his / her field of instruction.

We are accredited by the HWSETTA to offer all our courses. Our accreditation number is **HW591PA15457**.

Our classes are flexible, we have day, afternoon and evening classes for your convenience. High quality instruction by qualified instructors.

Our courses are designed to give you knowledge and hands on training, so that when you graduate you are confident and prepared for the job market!

Every journey begins with a step! Now you can take that step with our ongoing 2018 registrations. Apply Online now to secure your place at the college.

# CHILD & YOUTH CARE WORK

**NQF Level : Four (4)**  
**SAQA ID: 60209**  
**Credits: 165**  
**Duration: 12 Months**

If you have always had a passion for youth and youth issues, Brooklyn Health Academy offers a meaningful and challenging opportunity to convert this passion into a rewarding career.

An intensive, professional level program, the Child & Youth Care Worker program offers students skills-oriented training to equip them to help children and adolescents and their families in coping with personal and daily living challenges.

Many young people are burdened with neglect, abuse, emotional distress, family dysfunction and failure in many areas of their lives. These burdens are result in social, emotional or behavioural problems surfacing in the family, the classroom and the community.

The trained youth worker strives to work with the youth and their families by means of a supportive relationship to overcome these difficulties and obtain a more satisfying level of functioning and personal competence.

## PURPOSE

This qualification will be useful for persons who work in related fields such as social workers, pastoral counselors, where knowledge and skill of child and youth care work is an advantage.

## ENTRY REQUIREMENTS

- Mathematical Literacy at NQF Level 4
- Communication at NQF Level 4 in a First South African Language
- Communication at NQF Level 3 in a Second South African Language

## EMPLOYMENT OPPORTUNITIES

- Child & Youth Social Worker
- Children's Homes & orphanages
- Residential Care Social Worker
- Children's Care Giver

*Please note: No person with a record of child abuse; history of violent crimes; or substance abuse record will be considered for this qualification.*

\*Alternatively, you can also send your application back by post.

\*Fax your application to the fax number **086 212 0650**. All prospective students applying via fax should also send through the required information listed above.

# GENERAL INFORMATION

## COLLEGE FACILITIES

### Computer Access

Students have full access to our state of the art computer labs outside lecture hours to browse the internet, do assignments and other computer practices at no extra cost.

### Private Study

Private Study areas are usually available during College opening hours. Contact the front desk or the office of the Director of Academics for more information.

### Library

A reference library is available where specific texts can be consulted.

### Graduation Ceremony

After successful completion of the course a learner qualifies for graduation. The Graduation Fee is R700. This includes a refundable R200 for Gown Hire.

## PLACEMENT SERVICES

Upon the completion of your course or programme of study, Brooklyn Health Academy assists learners in finding jobs. This is done through the campus placement services. Vacancies are advertised on our campuses. This work is linked to the job shadowing, learnerships or internships course requirements. It will be prudently fair to state, that placements are not guaranteed for every student, however, opportunities are.

## ACCOMMODATION

At Brooklyn Health Academy, we do not provide on campus accommodation but students can book appropriate accommodation from a list reachable from our front desk or website, [www.brooklynhealthacademy.co.za](http://www.brooklynhealthacademy.co.za).

## PAYMENT METHODS

The deposit, registration and January fees can be paid directly to the college's bank account. As from the month of February, payment is strictly by debit order (it is the learner's responsibility to collect debit order forms).

## CERTIFICATION

Certificates are issued by HWSETA upon successful completion of all the required unit standards. Certificate will be awarded for learning programmes attended; learners will be assessed as competent and completed the level.

Payment of all study fees must be paid in full before start of examinations and before receiving a certificate. Certificates are handed to learners at a formal graduation ceremony.

## SOCIAL SCHEMES

Brooklyn Health Academy feels that it is very important that students get actively and enthusiastically involved. They should try to participate in the college's social and extra-curriculum activities and social functions that are friendly and loaded with fun. Use this opportunity to meet new people and have a good time. As you go through the College, let the College also go through you. On occasion we host Functions, Annual Freshers Ball, Changers Fellowship Weekly meetings, Mr & Miss Brooklyn Health, Orientation Bash, Mask Day, Valentine Fun, Graduation, Sports, Soccer, Basketball, Netball and Volleyball.

## STUDY ENVIRONMENT

With our modern learning facilities, Library, internet facilities and counselling services, being constantly upgraded; Brooklyn Health Academy affords its learners a positive learning environment.

## REFUND POLICY

Refund can be made based on Brooklyn Health Academy's refund policy (terms & conditions applies).

## STUDENT REQUIREMENTS

Each Student is expected to bring a rim of white plain paper per semester.
